# SAIGON TO PHNOM PENH

## SAIGON TO PHNOM PENH - 3 NIGHTS

The Mekong is a river of stories, flowing from the lively streets of Vietnam to the calm, rural landscapes of Cambodia. New for 2026, this three-night upstream river cruise offers an easy city-to-city connection between Saigon and Phnom Penh, giving you a relaxing, slow paced Mekong experience without needing a full week away.

Aboard the RV Tonle Pandaw, you'll drift by sampan through Ben Tre's mangrove forests, pause at small fruit orchards, see floating fish farms near Chau Doc, and take in sweeping river views from Sam Mountain. Travelers looking for added comfort also have the option to upgrade to the Tonle Suites, offering double the space of a traditional cabin and a more private, luxury filled onboard experience.

Designed for those who still want to pack in lots of scenery in a short timeframe, this journey blends nature, culture, and the gentle pace of river life to add a standout experience to your Southeast Asia travels.

A photograph of a woman wearing a traditional conical hat, sitting in the bow of a wooden boat. She is looking out over a river lined with dense tropical foliage, including palm trees. The water is calm, reflecting the surrounding greenery. The overall atmosphere is serene and suggests a slow-paced, scenic journey.

## DAY 1 FROM SAIGON TO THE DELTA

Embark your Pandaw vessel in central Saigon and relax on the spacious sundeck as we set sail past the towering skyscrapers of Vietnam's bustling metropolis. After lunch onboard you will meet the crew and enjoy local entertainment on the deck as we sail toward the Mekong Delta. We moor overnight on the Vam Co River.

## DAY 2 BEN TRE AND THE FERTILE WATERWAYS

Early morning we set sail through the Cho Gao Canal, a vital waterway link for the transportation of goods to and from the city which was constructed in 1876 by the French and offers a fascinating insight to life along the water. We reach Ben Tre and journey by sampans through mangroves and bamboo forests to the fruit orchards abundant in the area. This is a fertile farming region with half of Vietnam's rice production coming from the Mekong Delta. It also hosts a rich artisanal culture which we will witness at a local village specialising in handicrafts. Back aboard we sail deeper into the delta toward Chau Doc.

## DAY 3 CHAU DOC AND INTO CAMBODIA

In the morning, we take minivans for a short drive to Sam Mountain, the location of Phuoc Dien Tu or the Hang Pagoda. After climbing the steps we are greeted with stunning views across the Mekong. For those not keen on the stairs, explore the local market instead. Afterwards, we visit the nearby floating fish farms by Sampan before being treated to a private Lion dance performance at a local Village. Upon return to the ship, we navigate a web of canals before dropping anchor on the Vietnam/Cambodia border to undergo Immigration formalities.

Note: During high water periods in October and November, navigation into Chau Doc may be hampered by low bridges meaning today's excursion will be replaced with a local village visit at Long Thuan.

## DAY 4 PHNOM PENH DISEMBARKATION

After breakfast, disembark your Pandaw in Cambodia's capital Phnom Penh.

Finished in brass and teak, the main and upper deck rooms are a spacious 168 square feet (15.6 sqm), with the exception of the RV Kindat Pandaw which is 150 square feet (14 sqm). As the space is much loved by all our passengers, we have ensured that with each ship we build, the stateroom remains essentially the same. Be advised: our cabins do not have mini-bars, satellite TV's, internet access or telephones. Passengers tend to choose Pandaw in order to escape from the tiresome features found in international business hotels.

The character of the neighborhood – colonial mansions, traditional garden houses and the city's historic train station – inspired the hotel's concept and design.

## Free Drinks On Board

Pandaw is happy to announce that our India expeditions are now all inclusive experiences, including local soft drinks, mixers, spirits and beers free of charge. Also included free of charge is our onboard house wine during lunch and dinner only. Onboard purchases of alcoholic beverages will not be possible.

## River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
