ITINERARY

DAY 1 ARRIVAL PARO

Welcome to Bhutan! Upon arrival you will be met by your local guide and offered a Tashi Khaddar – a traditional way to greet guests to Bhutan. We then drive to Thimpu, the capital city of Bhutan through the scenic Paro Valley, around 4 hours total. Upon arrival to Thimpu, check into your hotel before beginning your Bhutan adventure with a visit to the National Memorial Chorten. This prominent landmark serves as an ideal spot for engaging with locals who flock here to circumambulate the chorten, spin the large red prayer wheels, and offer their prayers at a small shrine within the complex. Before heading back to your hotel, take a leisurely stroll around Thimpu's main street and markets soaking in the vibrant atmosphere.

DAY 2 THIMPU

Following breakfast, make a brief drive north of the town to reach Buddha Dordenma, situated atop a hill within the serene Kuenselphodrang Nature Park. This remarkable statue brings to life an ancient prophecy originating from the 8th century A.D., which was unearthed by Terton Pema Lingpa, a discoverer of religious treasures. It is believed that this statue emits an aura of tranquillity and joy, extending its influence to the entire world. Afterwards we take a short hike to Changangkha Lhakhang, an easy walk of around 1.5 hours where you will be greeted by a magnificent sight of hundreds of prayer flags waving in the breeze, creating a colourful and spiritual welcome. After visiting the temple at the end of the hike, we head towards The Postal Museum to see Bhutan's collection of rare and unique stamps. After lunch we continue on the highlights tour of Thimpu with visits to the Textile Museum, Centenary Farmers Market and Zilkha Nunnery before ending the day at Trashichhoedzong, often referred to as the 'fortress of the glorious religion.' This remarkable edifice serves as the heart of both government and religion in Bhutan, housing the monarch's throne room and serving as the seat of the Je Khenpo, or Chief Abbot. Return to your hotel to unwind for the evening.

DAY 3 THIMPU - PUNAKHA

Following breakfast, we will journey up to the picturesque Dochu-la pass, standing at an elevation of 3,088 meters. Here, we'll pause briefly to relish the panoramic views and appreciate the adorned chorten, mani wall, and fluttering prayer flags that adorn this high-altitude vantage point. We will witness a traditional prayer flag hoisting ceremony at Dochula before continuing our journey towards Punakha.

After a delightful lunch, we will visit the majestic Punakha Dzong, often referred to as the 'Palace of Great Happiness.' Following the dzong visit, we'll embark on a short excursion to Chimi Lhakhang, perched on a hillock in the heart of the valley and widely known as the "temple of

ITINERARY

fertility." It's believed that couples seeking to conceive a child can receive blessings here, often resulting in the fulfilment of their wish. The trail takes you across rice fields to the charming settlement of Pana, which translates to 'field.' Exploring the village near the temple offers unique glimpses into the daily life and traditions of the local villagers.

In the evening, enjoy a leisurely stroll in and around Punakha town.

DAY 4 PHUNAKA – PARO

After breakfast drive along the scenic highway to Paro before checking into your hotel. In the afternoon we will visit Ta Dzong, initially constructed as a watchtower and now housing the National Museum. The museum boasts an extensive collection that includes antique thangka paintings, textiles, weaponry and armor, household artifacts, and a diverse assortment of natural and historical treasures. The Ta Dzong visit will be immediately followed by a short walk along the trail leading to Rinpung Dzong, also known as Paro Dzong, which translates to the "fortress of the heap of jewels." This dzong boasts a long and captivating history. Along the wooden galleries that line the inner courtyard, you'll find exquisite wall paintings depicting Buddhist tales, such as the four friends, the old man of long life, the wheel of life, scenes from the life of Milarepa, Mount Sumeru, and cosmic mandalas.

In the evening, we'll head to Dema Farmhouse for a delightful dinner. At the farmhouse, you'll have the opportunity to experience Bhutan's national sport, archery, and immerse yourself in the local rural culture. Bhutanese farmhouses are renowned for their vibrant colors, intricate decorations, and their traditional construction methods, which eschew the use of a single nail. The majority of Bhutan's population still maintains a way of life that has endured for centuries, residing in modest, secluded farms and hamlets, enveloped by terraced fields of rice, maize, and buckwheat.

DAY 5 TAKTSANG MONESTARY

Drive to Satsam Chorten for a soft hike to Taktsang Monastery, also known as Tiger's Nest. The monastery is perched on a rocky ledge with a sheer drop of nearly 800m, overlooking the Paro Valley and the river. Recognized as one of the most hallowed places, it was visited by Zhabdrung Ngawang Namgyal in 1646 and is a must-visit for all Bhutanese at least once in their lifetime. The hike takes 4-5 hours round trip. While en route back to Paro town, make a stop at the 7th century Kyichu Lhakhang, one of the 108 temples constructed in the Himalayas by Tibetan King Songtsen Gampo. The establishment of this temple marks the introduction of Buddhism in Bhutan.

This evening, take part in a traditional blessing & butter lamp ceremony at a village monastery. This is a sacred and deeply spiritual practice that holds significant importance in the country's Buddhist

ITINERARY

culture. Such ceremonies are often conducted in monasteries, temples, and sacred sites, attracting devotees seeking blessings, protection, and spiritual guidance. During the blessing ceremony, Buddhist monks, adorned in their vibrant robes, recite powerful prayers and mantras, invoking the blessings of Buddha and other enlightened beings. While lighting of butter lamps is a symbolic act representing the illumination of wisdom and dispelling darkness or ignorance.

As the space is much loved by all our passengers, we have ensured that with each ship we build, the stateroom remains essentially the same. PANDAW SHIPS

RV Kindat Pandaw

The original Kindat was built in 1886 by Yarrows in London and sank in 1920. She was named after a small Upper Chindwin town. Following experiments with the Katha and Angkor Pandaws, in this build we perfected this concept of a two deck shallow draft vessel and repeated the formula again with her sister the Kalaw.

What we managed to produce in 2014 was a very shallow draft vessel that could go just about anywhere anytime that was big enough to carry 30-40 passengers with lots of outdoor deck space. We did this by reducing weight and stripping both hull and superstructure down to the bare essentials.

We had found with the experimental Katha that about half our passengers want to eat outside and the other half inside so we created a flexible bistro space offering passenger indoor or outdoor dining depending on inclination, often prompted by the season. This makes for a very happy ship!

The ship has quality mountain bikes for your independent exploration.

River Conditions Warning!

The rivers you will sail on are subject to seasonal rises and falls of water level, in some places as much as 30 metres. Water levels can change dramatically overnight and a sudden rise can impede our progress upstream considerably and even prevent us from passing under certain bridges. A sudden fall can result in our being unable to get into certain places or go as far upstream as we would hope. Groundings on sandbars are not infrequent and are part of the excitement of any Pandaw expedition. Published itineraries are indicational only and subject to sudden change. In such events alternative itineraries will be provided and we do our best to ensure that if a stop is missed we make up for it with another stop. Passengers are thus forewarned and expected to be flexible and patient. River cruising in Asia can be a dramatic and adventurous experience - not like cruising the controlled waterways of Europe or America. Note also that we operate in areas with little or no developed infrastructure and subject to the strictures of local officialdom. Be prepared for this and it is all more the fun!
